Application Lifecycle

Application Timeline

Review Process – Staff Review

- •The technical review of applications verifies:
 - Applicant is eligible
 - Proposed project is consistent with selected project type
 - Non-allowable expenses are not included
 - Match requirement is fulfilled and appropriately documented
 - All supporting documentation has been provided
- •Only documents that are provided in response to requests for clarification from staff will be considered after the application deadline.

Review Process – Panel Review

- •Ineligible applications will not be reviewed by the Review Panel or discussed at the public meeting
- •Panelists independently evaluate each application based on review criteria and are required to follow the Division's scoring instructions
- •After each panel member has evaluated the applications, there will be a public panel meeting to review, discuss, and score the applications
- •Panelists' scores will be averaged to determine the final score of each application

Criteria and Scoring

- •Eligible applications will be reviewed based on 10 criteria
- •Each criterion is worth up to 10 points, allowing for a total possible score of 100
- •Applications must receive a minimum average score of 80 or higher to be recommended for funding
- •Evaluation will be based on the information contained in the application and support materials

Criteria

- 1. Historic significance the relative importance of the property, site, or information in connection with prehistory or historical events, developments, or personalities.
- 2. Demonstrated need why the project is necessary, as related to the preservation of Florida history, historical resources, and/or archaeological resources, and may include threats to the historical property/ies, historic resources or materials, archaeological sites, or historical information that is the subject of the proposed project
- 3. Appropriateness of proposed project whether scope of work, budget, and timeline appropriately correspond with the property, site, resources, collections, or information that form the basis of the proposed project

Criteria

- 4. Administrative capability includes staffing, facilities, and organization resources adequate to complete the proposed project and meet the administrative requirements of the grant
 - Administrative experience with previous or open grants will be considered
- 5. Financial resources adequate resources to meet match requirements and/or, as applicable, to carry project costs as necessary pending receipt of disbursements of grant funds or to cover project costs exceeding grant funds awarded.
- 6. Professional and technical services availability of/consideration for services required to carry out the proposed project, either within the Applicant Organization or as consultants/vendors

Criteria

- 7. Compatibility how compatible the proposed project is with statewide historic preservation priorities established by the Division in the solicitation notice
 - Priorities are subject to change annually depending on regional or statewide concerns (e.g., disasters such as fire, flooding or hurricane damage)
 - Further information is specified by the Division in the yearly solicitation notice
- 8. Educational potential demonstration of value for enhancing the public awareness of Florida history, historic sites and properties, the objectives of historic preservation, and/or the application of historic preservation
- 9. Anticipated economic benefits direct impact on the local economy and the stimulation of additional private sector interest and investment in historic preservation projects
- 10. Public use utilization of the resource or other public good, including benefit to underrepresented communities, resulting from the proposed project

Legislative Funding Process

- •Following the public meeting, the Division shall prepare a final priority list of all recommended applications for review and approval by the Secretary of State
- •The Secretary of State will provide the Legislature with an approved list, ranked in order of total average score
- •Applications recommended for funding by the Review Panel and approved by the Secretary of State are not guaranteed funds
 - Funding for state grants is contingent on an annual appropriation by the Florida Legislature and, in addition, is subject to veto by the Governor
 - Applicants are encouraged to reapply for the project during the subsequent application cycle if grant funds have not yet been approved in the budget by the Governor by the application cycle deadline
- •Grant funds shall be awarded in accordance with the final ranking list of the applications considered for grant assistance in a given funding cycle
